May 2, 2019

The Gamania Group (Ticker: 6180:TT) today announced its 1Q19 financial results in accordance with IFRS:

NT\$ thousand	2019Q1	2018Q4	QoQ%
Revenues	2,934,286	2,700,053	9%
Gross Profit	1,217,964	1,013,600	20%
Net Income	358,742	301,763	19%
EPS(NT\$)	2.07	1.77	

Note: Net income is attributable to owners of the parent.

The 1Q19 consolidated revenue was NT\$2.9 billion, QoQ+9%. Consolidated gross profit reached NT\$1.2 billion, QoQ+20%, and gross margin was 41%, up 3ppts quarter on quarter. The net income was NT\$359 million, QoQ+19% and EPS was 2.07.

As the base period was high in 18Q1 due to the newly launched of Lineage M, the consolidated revenue in 19Q1 declined year on year. Both gross margin and operating margin were increased year on year, with gross margin up 16ppts and operating margin up 5ppts respectively, which drove 4ppts increases of net margin year on year.
