

## Gamania Reports 2013 Financial Results

March 18, 2014

Gamania Digital Entertainment Co., Ltd. (6180:TT) today announced its audited consolidated IFRS financial statements for 2013, ended in December 31:

Unit: NT\$ thousand

	2013	2012	年增率%
<b>Revenues</b>	8,237,727	7,186,991	15%
<b>Operating Income</b>	172,373	(153,203)	+
<b>Net Income</b>	73,921	(326,855)	+
<b>EPS (NT\$)</b>	0.47	(2.08)	+

Thanks to stable developments for various business sectors, the consolidated revenues of 2013 for The Gamania Group achieved NT\$8,238 million, YoY+15%, hitting historical record high. Based upon effective expense managements, operating expenses for 2013 largely decreased more than 30% and operating incomes totaled NT\$172 million. With the improvements of tax expenses, consolidated annual net incomes amounted NT\$74 million and EPS NT\$0.47, successfully turning into profits.

The Gamania Group sees the global game market dynamics and has led the company change, since 2012, to master in the “mobile” industry trend. Looking forward, Gamania continues to execute the mobile strategy with diversified aspects, such as self-developments, collaboration & operations as well as payment services to innovate the Group’s super powers.
