

Gamania Group Celebrates 25th Anniversary

November 6, 2020

Gamania Group held the 25th anniversary press conference on 11/6/2020. Gamania Group CEO, also as its founder, Albert Liu personally shared his entrepreneurial experience, and released the 25th anniversary videos which depicts how Gamania has got through a journey and led the trend with courage to innovate, as well as traced the memory track of the development of Taiwan Internet industry.

Gamania Group has demonstrated robust capabilities in the gaming field, and further expanded its scope into e-commerce, mobile payment and media. In 2019, we launched a new mobile platform app named beanfun!, which combines multiple services in it, trying to build up the first Taiwan Eco-Internet enterprise.

In retrospect, Gamania Group not only works hard to expand its market share, but also has always adhered to its original intention to be a pioneer who has the courage to make breakthroughs, provide an inclusive workplace for our employees.
